

Prayer for the Race

July 3, 2010

Gracious Creator God, we owe all we have and all we are, to you. On this gorgeous weekend when we celebrate our Independence, we give God thanks for our freedoms that have been won for us by our foremothers and fathers; the freedom to enjoy our blessed country; the freedom to be among the rolling hills and green trees of this Lime Rock Park. We give God thanks for the freedom to fly like the wind in beautifully engineered race cars; freedom to watch the excitement, and the strategy of the racers and their machines.

Please God, watch over us now and be with us through your Spirit. Keep the drivers, crews, and families safe on this weekend of racing. Bless the fans, staff and workers of Lime Rock Park and all those who are working today so that we can enjoy this weekend of adrenalin, horsepower and fireworks.

God bless us all.

Amen.
