

Press Release

Trinity Lime Rock invites everyone to a lively Spanish and English bi-lingual service and luncheon on Sunday, April 17. The theme is “*Encontrando Nuestras Voces*” (Finding Our Voices). The Episcopal Cathedral in Hartford will be bringing a busload of parishioners and musicians for a festive Eucharist to highlight our Church’s commitment to being a place of diversity and welcome. The service will feature music in English and Spanish with joint choirs, organ and Andean folk instruments. Trinity's Music Director, Christine Gevert and the ensemble of Andean Folk players "Alturas Duo” will join the Cathedral musicians.

Dean of the Cathedral, Miguelina Howell, and Rector, Heidi Truax will both preside and preach. Please take note of the service time, **11:00 AM**, to accommodate our guests coming from Hartford. A festive lunch with Latin American food will follow. Trinity is located at 484 Lime Rock Rd. in Lakeville.
